# THE CUBE

## ALLURING & MODERN

The stylish Cube 3 sided electric fireplace is truly innovative! The stunning flame presentation and unique media options can now be viewed from almost any angle through 3 sides of glass viewing area.

The Cube features two flame sets, ambient canopy lighting in 13 colors to illuminate the decorative media like never before and our exclusive FIRE & ICE® flame presentation that allows users to choose from blue, rose, violet, yellow or orange colored

flames with just a click of the remote control

Customize the appearance of the Cube further by utilizing the included 10 piece log set, charcoal grey real fireglass media and two bags of vermiculite, in black and white. Further media options available for additional purchase.

*With three distinct styles to choose from the Cube is perfect for any space, inside or out including bathrooms and kitchens.*
